# COACHES VS. CANCER PROGRAM

The Coaches vs Cancer program is a nationwide collaboration between the American Cancer Society and the National Association of Basketball Coaches. This initiative leverages the personal experiences, community leadership, and professional excellence of coaches nationwide to increase cancer awareness and promote healthy living through year-round awareness efforts, fundraising activities, and advocacy programs. Since 1993, coaches have raised nearly \$100 million for the American Cancer Society

## A LETTER FROM OUR CHAIRS

Coaches and Friends,

Thank you for joining us this evening for an amazing tip off reception and for our CVC Tennessee Golf Classic at the Golf Club of Tennessee on Monday. It's great to have everyone join us in this fight against cancer, and we thank you for your support of the American Cancer Society's mission. We are here with a tremendously important goal - to fight cancer and help save lives.

Partnering with the American Cancer Society for over 25 years, Coaches vs Cancer has brought together coaches, corporations, and people from across the Volunteer State to contribute to that goal.

I know we speak for ourselves and our other esteemed Board Members when we say we could not put together an event like this without you. Your passion and commitment to this important cause make a real impact on lives of both cancer survivors and patients, and we want to sincerely thank everyone who is able to join us today.

## Rickhouse To Rocks Glasses

- Selection of your Barrel of Whiskey
- Overnight stay for up to 10 people at Iron Banks Lodge
- Private Chef Dinner
- and More..

# 2025 CVC TN HONOREE

PRESENTED BY:

**DAN CROCKETT**

**Dan Crockett, a Nashville-based entrepreneur, philanthropist, and champion amateur golfer, built Franklin American Mortgage Company into a national leader. Off the course, he recently won the 2023 Tennessee Senior Match Play Championship, showcasing the same drive that defines his life.**

**At just 4½ years old, Dan became a bone marrow donor for his brother in a groundbreaking procedure led by future Nobel laureate Dr. E. Donnall Thomas. That moment of courage helped shape Dan's lifelong commitment to family, faith, and service.**

**Coaches vs. Cancer Tennessee is extremely proud to honor Dan at its 2025 event. Dan's story is a powerful reminder that one act of love can last a lifetime—and why the fight against cancer matters more than ever.**

# 2025 CVC TN MEDICAL HONOREE

PRESENTED BY:

**Dr. Dana Donaminio**

**We celebrate the incredible care and innovation happening across Ascension Saint Thomas—especially in our cancer program, which continues to advance through research, personalized treatment, and a multidisciplinary approach.**

**Today, we honor someone who exemplifies that progress and hope—Dr. Dana Bonaminio, Certified Radiologist and Director of Breast Imaging at the Center for Breast Health.**

**Dr. Bonaminio has supported countless patients with expert care and compassion. But last year, her journey took a personal turn when she was diagnosed with breast cancer. She faced the same fears her patients do—and emerged as a survivor. Her strength and empathy now shine even brighter, deepening her commitment to care. Dr. Bonaminio, thank you for being a source of light and inspiration. Congratulations on this well-deserved honor.**
